

COURT THEATRE FUNDRAISER

in support of

Christchurch Women's Refuge

Please support Christchurch Women's Refuge through their upcoming fundraiser at the Court Theatre on 15 April.

The play will be the acclaimed comedy

"The Female of the Species"

This comedy has received great reviews from Auckland to London and in-between.

Here is the low-down:

"From the author of **BOMBSHELLS** and **HONOUR** comes a crackling comedy that is part hostage drama, part satire and part outrageous farce.

Controversial feminist writer Margot Mason has a couple of small problems.

Her daughter has just shown up on her doorstep unable to cope with domesticity, Margot's latest book (the follow-up to her bestseller *The Cerebral Vagina*) is overdue and she has a severe case of writer's block. Oh, and a deranged fan has broken into her house and is holding her hostage..."

Please join us for a great night of entertainment, knowing that you are also supporting the essential work of Christchurch Women's Refuge.

When: 6pm, Thursday 15 April.

Cost: \$46
